Deepening Roots

2019 was a year of building the infrastructure that would later allow Showing Hearts to respond to crisis. We invested in direct services via **the S.T.E.P. Program (job readiness) and capacity-building via The Hub**, formalizing 5 co-working partnerships to strengthen the local nonprofit ecosystem.

PROGRAM SPOTLIGHT

S.T.E.P.

Striving Towards Empowering People

Workforce development, resume workshops, and employer connections.

The Hub: Infrastructure

- Shared office space for grassroots orgs
- Administrative support & resource sharing
- Network for cross-referrals and joint programming

400+ Toys
Holiday Distribution

"In the past year, Showing Hearts has been a beacon of hope and empowerment for our youth, young adults, and families. Their tireless dedication to nurturing potential and fostering resilience has not only transformed lives but has strengthened the very fabric of our community."

NVC Councilman I. Daneek Miller (D27)

FUNDER & LEGISLATOR ALIGNMENT

Capacity Building

Strengthening peer nonprofits, not just delivering direct services.

Economic Mobility

Programming centered on jobs, skills, and stability (S.T.E.P.).

Public Funding Ready

Proven ability to manage partnerships and co-working models.
