YOUTHPRENEUR DEEP DIVE

In FY2023, we prioritized depth over breadth. We focused on the YouthPreneur flagship program - delivering structured curriculum in entrepreneurship, financial literacy, and pitch training. We also coordinated hiring fairs in high-poverty neighborhoods, directly aligning with citywide anti-poverty goals.

### Media Spotlight

Featured on NY1 News for innovative youth programming.

"Empowering our youth through internships and career opportunities is crucial for their growth and our community's future. I extend my heartfelt gratitude to Showing Hearts and everyone else tirelessly working to open doors for young people, nurturing their potential, and paving the way for a brighter tomorrow."

~ New York State Senator Leroy Comrie

#### LEGISLATOR ALIGNMENT:

"A credible partner in poverty reduction and youth opportunity pipelines. Our work is visible, validated by media, and reaches deep into high-need communities."
